

Be a Proud Sponsor of the University of Toronto's 17th Annual Engineering Science Alumni Dinner

Friday, March 31, 2017 | Hart House, Great Hall | 6:00 pm Reception | 7:00 pm Dinner

Keynote presentation *"Cyber-Physical Security for Smart Grid and Beyond"*
by Professor Deepa Kundur, Engineering Science Chair

Since 1934, **Engineering Science** at the University of Toronto has been known as **Canada's premier engineering program** at a globally recognized engineering faculty.

Our **students** are power-houses of productivity and problem solving. Our **graduates** include world leading innovators who are part of a powerful alumni network with global reach.

The **Annual Engineering Science Alumni Dinner** brings together graduates of our 80 year history to celebrate our program's education excellence, to recognize the achievements of our current students, and acknowledge the outstanding leadership and professional camaraderie of our alumni.

A strong presence at the dinner provides you and your company with access to recruit remarkable talent, secure new clientele, find mentorship connections and reunite with fascinating Skulemates.

Your attendance supports our students' career development and assists the Division in its mission to foster strong alumni connections. **Your sponsorship will directly support student tickets, allowing additional students to attend the event and strengthen their alumni network.**

Available sponsorship packages are described below. Recognition of your generous support can/will be showcased as described.

Sponsorship Level	Tables	Sponsor Tickets	EngSci Student Tickets	Recognition			Additional Benefits
				Event & Faculty Website	Program	Event	
Platinum \$5,000	2	10	14	X	Full-page colour ad	Signage & slide show	<ul style="list-style-type: none"> Space at the event to display marketing materials such as brochures Chance to provide table gift for each place setting Biographies of students attending due to your generosity
