

2024 Praxis III Showcase: Schedule

Thursday, April 11, and Friday, April 12, 2024

4th floor, Myhal Centre, [55 St. George Street](#)

U of T Engineering faculty, staff, alumni, and friends are invited to check out the engineering design projects of this year's Praxis III students.

This event is open to the public but [registration is required](#) for external guests.

NOTE: Current U of T students, staff, and faculty do not need to register.

In Praxis III, student teams focused on design challenges aligned with three specific United Nations Sustainable Development Goals:

- Sustainable Local Economics in a Globalized World
- Sustainable Buildings & Energy Management
- Sustainable Non-Industrial Solid Waste Management
